FCA is related due to the common ownership to FinTrust Brokerage Services, LLC (“FTBS”) and FinTrust Capital Benefit Group, LLC (“FCBG”). FTBS is an affiliated broker-dealer firm that is registered with the SEC and is Member FINRA/SIPC. FCBG is an Insurance Agency. FCA, FTBS, and FCBG share office space, personnel and facilities, and on occasion serve the same clients.

Ms. Bynum is a Registered Representative of FTBS and a licensed Insurance Agent of FCBG. In her capacity as a registered representative she may be compensated through commissions based on the sale of securities, investment products and trails received from the sale of mutual funds or other products. In her capacity as an insurance agent she may be compensated through commissions based on

the sale of insurance products. This additional compensation may present a conflict of interest because it creates an incentive to recommend products and services based upon compensation, rather than on your needs. However, Ms. Bynum is constrained by fiduciary principles to act in your best interest. Ms. Bynum will explain the costs associated with any recommendations she makes and you are under no obligation to purchase any recommended products.

Valerie Smithey serves as FCA's Chief Compliance Officer responsible for oversight and supervision. Mrs. Smithey can be reached at (864) 288-2849.

Ms. Bynum is required to adhere to FCA's processes and procedures as described in our Code of Ethics. FCA and its CCO monitor the advice that Ms. Bynum gives by reviewing the relevant account opening documentation when the relationship is established and reviewing client correspondence periodically. In addition, account activity is reviewed periodically to ensure that trading is in line with your stated objectives. Following these reviews, reports are prepared to assist Mrs. Smithey in supervising and monitoring the accounts. Factors that are considered include, but are not limited to the following: investment objectives, targeted allocation, current allocation, suitability, performance, number of trades, monthly distributions, concentrated positions, diversification, and outside holdings. Periodically, the members of FCA's investment committee meet to review portfolio holdings and suggest to the other members any changes that may need to be made.
